PRINCETON  
BICENTENNIAL

1976

**HERE COMES THE BAND** - The Strategic Air Command (SAC) band led the Princeton Bicentennial parade Sunday afternoon. The parade highlighted a weekend of activities

which were considered a tremendous success. The band is marching down River Drive in front of Boll's Store in the picture. NSP PHOTO

**DAVE KUBERSKI** - Princeton native son Dave Kuberski, front, played his clarinet with the Strategic Air Command Band Sunday during Bicentennial festivities on the Princeton riverfront. The SAC band provided a musical treat for area residents. NSP PHOTO

**PRIZE WINNING FLOAT** - One of many good units in the Princeton Bicentennial parade was this float entered by the Princeton Livewires 4-H Club. The float took the blue ribbon in judging later that afternoon. There were 50 units in the parade. NSP PHOTO

## A Festive Weekend For Princeton

Information Compiled

By Bessie Sierk

The following awards were presented at the Princeton Bicentennial festivities last weekend:

### PARADE

Mayor's Trophy - Trinity Lutheran Church, Clinton; Blue - Princeton Livewires 4-H; Red - Princeton Boy Scouts; Honorable Mention - Kernan's Restaurant.

Bicentennial Theme Float - 1. Dallas Jurgens, 2. Princeton Presbyterian Church and Zion Lutheran youth, Honorable Mention - World War II Mothers.

Antique Car - 1. Finley McGinnis, 2. Glen Shipley, Honorable Mention - LeClaire Fire Truck.

Horses - 1. Lloyd Poppy (Strawberry Point), 2. Preston Saddle Club, Honorable Mention - Silver Spurs Saddle Club.

Individuals - 1. Sparklers, 2. Brownies, Honorable Mention - Bob Holt.

Novelty Division - 1. Bridges Trading Post.

The Civic Club's quilt raffle was won by Iva Auliff of rural LeClaire.

A crowd of 1500 attended Sunday's SAC band concert, and it was estimated that there was an equal number of

persons participating in other events in town at the same time.

General chairman was Richard Horst. JoAnn Hamilton, president of the Civic Club and Gloria Allen, city clerk, and ladies of the civic center played an active role in the successful weekend.

Arrangements for the SAC band were made by Goldie Kuberski.

A church service Sunday morning drew 200 persons and both participating church, Princeton Presbyterian and Zion Lutheran, sold out at their noon meals.

110 horses competed Saturday in games such as Dizzy Cowboy, Balloon race, panty waist race, rescue race, goat tail tying race and a special Bicentennial race without horses.

Winners were presented with ribbons.

A fire demonstration was given by chief Herb Peitscher assisted by Mayor Walter Anderson. Also involved were Kathy and Keith Havenhill, Bruce Gaylor, John Dittmer, David Neff, Frank Erfling and Dennis Smith.

A dance Saturday was well attended with music by the Long Branch Playboys, while

Dan Moore called for square dancing.

The horse show was run by Mr. and Mrs. Jerry Lindholm with Glenn Underwood and interested horsemen, the Vollraths, Bruckmans and Arbogasts.

The softball game Sunday night ended without a victory, as Kernan's battled Wickes Homes to a 7-7 tie at ten innings when dark settled in.

### SOAP BOX DERBY

Twenty four children entered the event and six dads. First places were won in the following divisions by:

Pres-school to 1st - Chris Womert.

# Annual Princeton Fun Days Are Saturday And Sunday

The stage is set for fun and festivities in Princeton for the annual "Princeton Fun Days" to be held Saturday and Sunday, June 26-27.

Activities get underway at 9 a.m. Saturday when an arts and crafts display is set up on U.S. Highway 67 and the antique toy show and sale starts on River Drive.

A Youth Fun Run sponsored by Cub Scouts will begin at 9:30 a.m. in the old school park.

At 10 a.m. Saturday, the men's softball tournament will begin at Water Tower Park, riverboat rides on the Belle of Princeton start and the Princeton Volunteer Fire Department will be giving antique fire truck rides.

The Princeton Lioness Club will be sponsoring games throughout the day on River Drive.

Lunch will be served in the civic center from 11 a.m.-1:30 p.m. Saturday and at 1 p.m., the micro-mini tractor pull starts in Clemons Park, the dessert booth will open, bingo will get underway on River Drive, the frog jumping contest will begin and the Kernan's Krazy Kanoe Race will start.

Harvey's Angels Ski Club of Port Byron, Ill. will perform a ski show from 2-3 p.m. At 4

*125 Years on the River*

## JUNE 25-26

8 GO! JUNE 24, 1983

# Princeton Plans Big Weekend

June 23 - 24 is the annual Princeton Days in Princeton, Iowa. Unlike many community celebrations, all of the entertainment is free, and the price of the rides is minimal. The emphasis is, as in the past, on providing family entertainment which can be enjoyed and afforded by all.

This year, in addition to the activities, a special edition of Princeton history has been prepared by Paul B. Dennis. In the past century little has been written about the Princeton area, and Dennis prepared a short history for the first celebration in 1976. This edition is much longer and includes much more information. These books will be available to the general public during Princeton Days.

The schedule for Princeton Days is as follows:

## Saturday, June 23

8:30 -- Registration and Children's Pet Show

PRINCETON FUN DAYS  
June 23-24, 1984

HERBERT PEITSCHER, GRAND MARSHALL

Herb was one of the founders of the Princeton Volunteer Fire Department. He was elected chief in 1940 and remained chief until 1980 at which time he decided '40 years' was long enough. He is still active on the Fire Department and makes most calls with them.

Herb was instrumental in forming a county volunteer fireman's organization in 1946. Through conscientious efforts, he was elected president of the Scott County Volunteer Fireman's Association of which he served several terms.

During Herb's forty years as chief he attended most all seminars and schools - local, district and state - to continually enhance a consistent and competent performance of the Princeton Volunteer Fire Department. Throughout this time the department was noted for the capacity of efficiency in which the community was served.

The community is most appreciative of Herb's endless hours of dedicated service with the Fire Department. Therefore, we the Princeton Day Committee are honoring Herbert Peitscher as Grand Marshall of the 1984 parade with the theme being "Yesterday's Memories - Tomorrow's Dreams".

On the '1939' Chevrolet Fire Truck, Princeton's first pumper, are Frank Erfling, Harold Woomert, Al Dreschler, Alf Schulz, Hilding Lund, Irvin Fletcher, and Darb Schulz, some of the first firemen of the newly organized department with Herb.

VOLUNTEER FIREMAN

He wears no uniform of blue;  
He's just a common man like you.  
No flashy badge adorns his chest;  
To make him different from the rest.  
But when there's fire, smoke and flame;  
Then behold, he's not the same,  
As you and I who stand aside;  
When danger lurks and courage is tried.  
He'll die to save a human life;  
Perhaps your daughter, son or wife.  
He gets no pay from year to year;  
Still, he's proud to be a VOLUNTEER.

## 'Dolly Pardon-Me' Will Visit Princeton

### Princeton Days Continued From Page 1

p.m., a fish and chicken fry catered by Bridges Catering will be held on River Drive and the fiddling contest will begin.

A two-band street dance will be held from 9 p.m.-1 a.m. Saturday.

A pancake breakfast will kick the festivities off Sunday from 7:30-9:30 a.m. and from 10:30-11:30 a.m.

Joint community church services will be held in Clemons Park from 9:30-10:30 a.m. The arts and crafts display and the men's softball tournament at Water Tower Park will get underway at 9 a.m.

At 12:30 p.m. the parade bearing the theme

of "My Favorite Song" will feature Cathy Jo Balsar as Dolly Pardon-Me.

At 1:30 p.m. Sunday, bingo, antique toy show, riverboat rides, antique fire truck rides and dinner at the fire station will begin.

At 2 p.m., the Lioness Club will have its games on River Drive, games of skill will be offered by the Cub Scouts on River Drive and Virgil Grissom School grounds will be the site for Anything Goes.

Harvey's Angels Ski Club will also present a second ski show at 2 p.m. Sunday, and a martial arts demonstration will be held at 3 p.m. on River Drive.

The greased pole climb will be held from 4:30-5:30 p.m. and the weekend will close at 6 p.m. with the raffle drawing on River Drive.

HAROLD "SKIN" WOOMERT  
1985

Grand Marshall for our Princeton Days parade, "Pioneers of Land and River", in this sesquicentennial year, is Harold 'Skin' Woomert.

Harold was born and raised in Princeton, Iowa and has lived all his life. As a boy, 'Skin' delivered the Clinton Herald Newspaper, worked in the onion fields in Pleasant Valley and on the farm.

He graduated from Princeton High School in 1932 and LeClaire High School in 1934. 'Skin' had a six piece band called "The Woomert Commanders", and he also played with the "Ivan Langman Band". 'Skin' has played baseball with Princeton, LeClaire, McCausland, and Dupont teams. July 4<sup>th</sup> was the 'big day' for baseball at Pinneo's Grove ball diamond (3 miles north of Princeton). The married and single fellows played against one another in the mornings and Princeton would always play either LeClaire or McCausland in the afternoon.

'Skin' also played basketball with the LeClaire A.C.'s, Gray's Grocery of Davenport, Princeton Independents and the Clinton Post-Holers. Harold got together a small group and furnished the music for the 'Minsterals' that was put on by the P.T.A. in the Princeton Community Building.

Harold worked at Sherman Williams before going to DuPont in Clinton, from where he retired in 1975 after 35.

Harold served 3½ years in the Air Force during World War II, touring Belgium, England, France, and Germany. He has been on the Princeton Volunteer Fire Department since 1938, and had the privilege of taking the first new fire truck out.

He has served on the Princeton City Council for 32 years, serving in the capacity of Mayor Pro-tem for the past 25 years. He has been on the board and is President of the Oakridge Cemetery Association in Princeton since its organization in 1966. It should also be noted that Harold was the one who got the letter written that led to the installation of the signal lights on Highway 67, for the safety of everyone.

Harold married Mildred Gast in 1939. They have two children-Roger and Bonita and five grandchildren.

His memberships include the American Legion, the V.F.W., Clinton Moose Club, and the Princeton Lions Club. He is a member of the Zion Lutheran Church, Princeton.

Harold was born September 2, 1915 in Princeton.

**BLOOD PRESSURE**--Sister Ludmilla Benda, associate at Our Lady Of The River Catholic Church, LeClaire-Princeton, gives Princeton mayor Dave McLaughlin a blood

pressure check to promote Princeton Days. Sister Ludmilla will offer free blood pressure checks during the weekend festival.

# Happy 125th, Princeton!

*Here's how they'll celebrate the big one*

Every summer since 1976, the Scott County river town of Princeton has enjoyed itself and entertained the public with fun at Princeton Days.

This year it's special. This Saturday and Sunday is a Quasiquicentennial celebration — and the theme is "125 Years on the River."

The post office even has a special birthday stamp cancellation.

As for things to do and see, there seems to be something for everybody.

Activities open Saturday with a children's pet show at 8:30 a.m. in Clemons Park. There will be a peddler's market on River Drive, where children's train rides begin at 9 a.m. There also will be sea-plane rides, antique firetruck rides and cruises on "The Belle of Princeton" both days.

Lunch will be served both days, there's a hog roast and barbecue beef from 4 to 8 p.m. Saturday, and break-

fast from 8 to 9:30 and 10:30-11:30 a.m. Sunday at Zion Lutheran Church.

Other Saturday specials: Blue Knights Motorcycles, 10 a.m.; men's softball tournament, 10 a.m.; Now and Then Bridal Show, 11 a.m.; pedal tractor pull, 11 a.m.; Kernan's Krazy Kanoe Race, 1 to 5 p.m.; woodcutting contest, 2 p.m.; blue grass jam, 3 to 9 p.m., street dance 9 p.m. to 1 a.m.; and fireworks at dusk.

The softball tournament continues at 9 a.m. Sunday, and there will be a community church service at 9:30 a.m. in Clemons Park.

The parade at 12:30 p.m. is a Sunday highlight, and other special events winding up the day include Chordbusters concert at 2 p.m.; water fight, 2 p.m.; dedication of elderly housing, 2:30 p.m.; beard contest, 2:30 p.m.; martial arts, 3 p.m.; and greased pole climb, 4:30 p.m.

Lois Suiter O'Malley, Alverta Schmalz Mettepenningen and Joyce Graaff Brockhouse, from left, model their family wedding gowns that will be part of the heritage on display for Princeton Days Saturday and Sunday. Mrs. O'Malley's handmade gown was worn in 1880 by Fredricka Holdorf Holst, grandmother of her and Mrs. Mettepenningen. Mrs. Mettepenningen is wearing the gown worn by her mother and Mrs. Brockhouse's grandmother, Alvina Holst Schmalz, in 1904. It also is handmade. Mrs. Brockhouse, whose is parade chairman for Princeton Days, models her gown, worn in 1951. (Times photo by Ron Bath)

The Princeton Wildlife Area, sitting on 1,178 acres in northern Scott County on the Mississippi River, is a habitat oasis in a sea of silt.

First purchased by the U.S. Army Corps of Engineers in the 1930's from a levee district, the water, marsh and timber environment is a haven for several species of ducks, geese, pheasants, deer, muskrat, mink, beaver and countless game birds. At its peak, the 348 acre refuge on the south side of the PWA held 30,000 ducks and geese in the fall of 1982. An average of 3,000 to 4,000 ducks visit the refuge daily during migration season.

In addition to the migratory waterfowl, several blue wing teal, mallards, woodducks and hooded mergansers have established resident nests.

The number of muskrat and mink varies; muskrat house counts show from 50 to 75 abodes each year. Each house contains from two to four muskrats per litter and an average family can raise two or three litters a year.

There is a moderate deer population in the southwest timber, near where 130 acres of corn are planted each year. Ten percent of the corn is left in row crops each winter to provide food for a variety of creatures. Forty acres of winter wheat in the north central area provide more food.

"The area is a critical stepping stone for migratory birds," said Bob Sheetz, wildlife biologist for the Iowa Conservation Commission in charge of the area.

The ICC took license to manage the area from the Corps of Engineers in the early 1950's. The PWA is small compared to other wildlife areas such as Green Island(3,000 acres) and Pleasant Creek(2,600) acres, both upriver in Jackson County.

A boundary dike was begun in the 1920's when the lock and dam system came into being. The Corps bought a pump in the early 1950's to add 12 to 18 inches of water to the marsh in the fall.

"But the pump is too small," Sheetz said. "Sometimes it pumps for a month straight to add water." As a result, a new pump with a wider diameter pipe is expected to be in place by next fall.

In 1982, the levee was reconstructed. Much of the tree roots and beaver dams that cause water to leak out were removed, solidifying the dike. With the addition of more water and a better dike, another 100 acres of marshland will be created.

Siltation is not usually a problem at the PWA, Sheetz said.

"It's protected by the levee," he said. "Eight out of 10 years, it's totally protected from silt. It has a high water quality and produces a lot of food in the form of vegetation for wildlife."

# Lake donated to Fish Unlimited

By ROSS BIELEMA

A Camanche lake donated to a fish conservation group Wednesday will become the group's headquarters and research area, according to its executive director.

Hazel Lake may also boost the Camanche area economy as well, according to Camanche officials.

The 5-acre lake tract, located about a mile northeast of Camanche and north of U.S. 67, was donated to Fish Unlimited by Hazel Foley.

"This is a dream I've always had that this will be something that can be enjoyed by others," said Foley during a brief donation ceremony Wednesday afternoon at the lake.

Fish Unlimited Executive Director

Tom Malone accepted the deed to the tract, and explained his group's plans for the site.

Malone envisions a clubhouse on a small island in the lake's center, rip-rap around the edges to slow the water's erosion of the banks, canoe rentals, fishing clinics and swimming there.

Camanche officials, however, also see a potential flow of out-of-town fishermen and their sorely needed dollars to the secluded pool.

"It could bring some people from out of town into this area," said Camanche Chamber of Commerce President Kathy Klahn. "It's a pretty setting out

## Princeton prepares for weekend of fun

This summer marks the 200th birthday of the U.S. Constitution, and Princeton residents think that's a pretty good reason to celebrate this weekend.

Princeton Fun Days planned for all day Saturday and Sunday will feature a pancake breakfast each day, baseball tournaments, dancing, 5K and 10K runs, canoe races, a parade and much, much more.

And there's plenty planned for children too — Big Wheel races, makeup booths, sea plane rides, games and a stuffed animal walk.

Joyce Brockhouse, chairman of a committee that plans Fun Days, said the planning has gone on for eight months. The event is held each year in June and began in 1976 as a bicentennial celebration.

"It just seems like every year it has grown," she said. "It's a good time for fellowship."

Residents will also dedicate the town's new library at 2 p.m. Sunday.

Most of the weekend action will be on River Drive in Princeton in northern Scott County.

## Differs from federal choice

# City of Clinton has "preferred" postoffice site

By ALAN CAMPBELL

Clinton city officials are pushing hard in their attempt to get the new Post Office located in what they consider to be the "preferred site."

The site covers most of Block 3 of the Clinton Original Plat. Specifically, it is the area bordered by South 2nd Street

Total assessed value for the city's proposed site (according to the city assessor's office) is \$711,510. The Postal Department's site carries a total assessed value of \$431,060. (See accompanying diagram.)

The highest assessed property in both plans is the Heritage Motors lot, 100 1/2 W. Ave. S. No matter which of the

estimate for that work.

The city hopes to reduce it as close to \$1.1 million as possible.

"They (the Post Office) don't think we can get it down to \$1.1 million, either," City Attorney Bruce Johansen said during last the committee-of-the-whole meeting. "They want us to get down as low as we can and then they will decide."

Just how much the city will be able to bring the estimate down is difficult to determine.

No one connected with the project currently is willing to state how much of the current estimate is expected to cover acquisition, how much is for

Howes said his relationship with his clients was confidential much like a lawyer-client or doctor-patient relationship.

"I can't discuss somebody's personal business," he said. "The figures you are being given are coming out of St. Louis from the appraiser the Post Office is getting its figures from. They might be altogether different from what the people (property owners) are asking."

City officials have also expressed an unwillingness to reveal the acquisition figures until negotiations with the property owners is completed.

City Manager James Richardson and members of the city council say

replace \$2 million worth of property," Councilman James McGraw said at Tuesday's committee-of-the-whole meeting. "This whole thing might snowball to \$20 million."

Councilman John Frey spoke of the additional employment boost created by hiring people to help with building demolition, relocation of businesses, remodeling of the buildings those businesses will enter and any possible new construction.

The Postal Department is willing to listen to any proposal the city can put together regarding the site. City officials have only until May 3 to complete that proposal and present it to the Postal Department.

PRINCETON "SANTA" TO LEAD SUNDAY PARADE

As far as Hilding Lund is concerned, Sunday is going to be just "another day" in Princeton. A day in which the town will be full of wonderful people having a lot of fun.

"Princeton is one great town," said Lund, 83, who will serve as Grand Marshal of the Princeton Day Parade Sunday morning. "I spent 50 years doing business in that town so I should know."

"There's no doubt we're going to have a lot of fun. We always do in Princeton."

Lund is practically a legend in the Mississippi River town, known by many for the "nickel pops" he used to sell at his car dealership, and also for the thousands of stockings he donated to area families at Christmas.

In 1939 it was Lund who originated the Princeton Santa Claus by furnishing stockings filled with toys, candy and refreshments and much of the community is unaware that Lund is the "grand-daddy" of the early event.

"For those who know Hilding, his love for the people and the town of Princeton is very apparent," said Joyce Brockhouse, co-chairman of the Princeton Days festival. "I'm sure that each day of his life has been filled with happiness because of what he did for so many people."

"During a visit with him you can see his eyes sparkle with the warmth of memories and the possibilities that still lie ahead for ways in which he can continue to share himself."

Hilding Lund has lived an eventful and sometimes illustrious life. Following are some highlights of his years in Princeton.

1924-Hilding started repairing farm machinery and vehicles in the garage of his parent's farm 4½ miles west of Princeton. His ability as a good mechanic became well known.

1927-He bought the building in Princeton known as H.E.Lund Garage and Implement. He then started selling implements and hired one other mechanic. He had an old car, since he couldn't afford a truck, and he took the back off and revamped the vehicle by making a box bed to haul machinery and parts.

1931-He married Thelma Pietscher and they had one daughter, Joyce Mears, who lives in McLean, Va. Hilding has two granddaughters, Stephanie, a recent graduate of Richmond University and Susan, a junior in high school.

Thelma passed away in 1975 and he married Dorothy Holdorf in 1977.

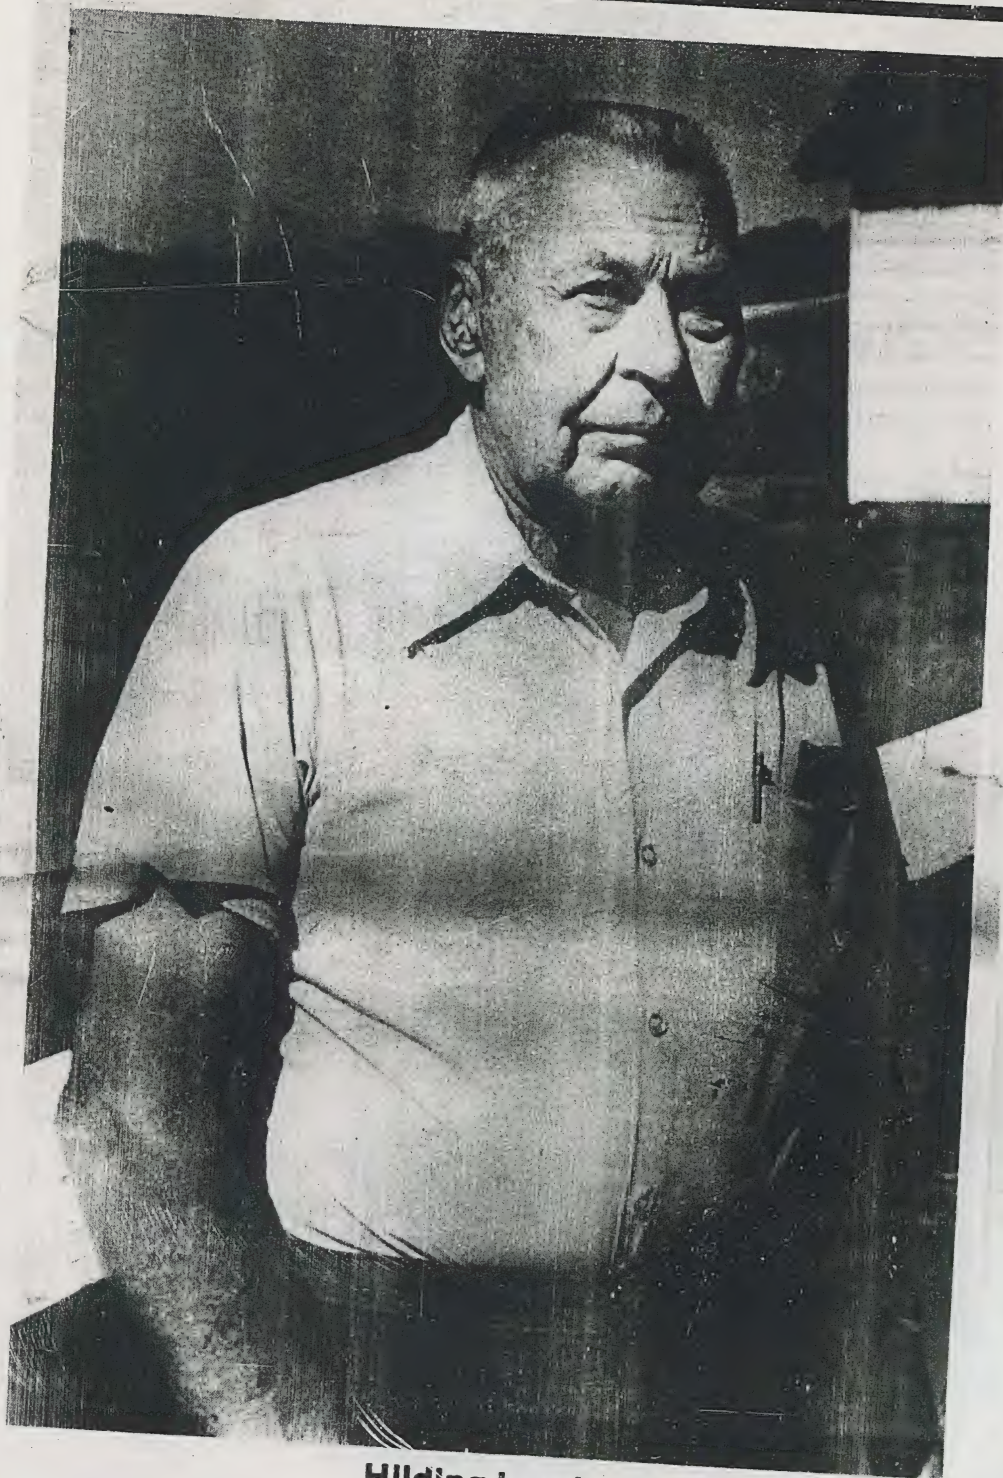

1939-He started making doughnuts and coffee every October to unveil the new Chevrolet models. This was a yearly event.

1939-On his birthday, Dec. 21, he originated Santa Claus coming to his "garage". He also furnished stockings of toys, candy and refreshments for adults as well. He would order 1000 stockings and whatever was left he would donate to the Lutheran and Presbyterian churches.

After Santa's visit he would have a big dinner party for about 100 people, including family, friends and salesmen.

1962-Hilding held his 1st "Lund's Day". Pancakes, sausage, brats and spirits were served with a band playing from late afternoon until late at night. This was Hildings way of saying "thanks" to many people. This too, became a yearly event.

Hilding is also a former Scott County Supervisor and has also served on the Scott County Library Board, Salem Lutheran Cemetery Board, Pineknoll Health Care Board and has been a lifelong member of Zion Lutheran Church in Princeton.

"His work's as big as a club project"

by Jennifer Phillips  
Quad-City Times  
October 14, 1986

Hilding Lund has earned quite a few titles during his years of living and working in Princeton.

He's been dubbed the Princeton Santa Claus, the Princeton Man of the year, the Pop Man and even the grand marshal at this summer's Princeton Days parade.

It's safe to say Lund has made a career out of giving his all to the Iowa community upsteam from the Quad-Cities, from friendly and honest customer service at his farm implement and car dealership to the thousands of Christmas stockings he passed out each year to area families.

Princeton Mayor Dave McLaughlin spares no praise when talking about Lund.

"There's no doubt. Hilding's done alot for Princeton over the years," he says, showing a visitor the building where Lund operated H.E. Lund Garage & Implement for 57 years.

Now, at age 83, Lund has finally settled down a bit and let some of the traditions he started be carried on by others-- in some cases, entire civic groups do the work Lund used to do alone. He still keeps an active eye on events all over Scott County and loves to reminisce about the many good things that have happened in his life.

And as for his obvious adoration of Princeton and its people, he explains simply, "These are good people, wonderful people."

"I was a lover of kids," he says while relaxing with his wife, Dorothy, in their comfortable home overlooking the Mississippi River.

He enjoyed running the place in town where the kids liked to hang out. He cultivated their friendship and they returned it by watching his business when he was gone to make sure it wasn't burglarized.

He became known as the Pop Man because he served nichol soda pops when they were 15¢ everywhere else.

The Santa Claus reputation started in 1939, when he began bringing a Santa to his garage on his birthday, December 21, for a big Christmas party. He would supply refreshments and order 1,000 stockings filled with toys and candy to be passed out for Christmas. Any stockings left over from the party were given to local churches to be passed out for Christmas.

After Santa's visit, Lund would serve a big dinner to familiy, friends and his salesmen. He sometimes served up to 260 turkey dinners in one night.

The Lions Club and other local groups took over the yearly Santa Claus event when Lund sold the farm implement business in 1975 and then retired from his accompanying Chevrolet dealership business in 1980.

He also started the annual "Lund's Day in 1962, when residents were invited to his garage for a day of dancing and eating as his way of saying thanks to the community.

Hilding also is a former Scott County supervisor and has served on the Scott County Library Board, Salem Lutheran Cemetery Board and Pine Knoll Health Care Board. He's a lifelong member of Zion Lutheran Church in Princeton.

## Princeton Day Committee makes donation

The Princeton Fun Days committee met Tuesday, Oct. 13 at the Civic Center. A \$250 donation was given to Charlotte Yearius for the new Princeton sign recently installed by the Princeton Development Commission.

The Fun Days committee is a non-profit organization formed in 1976. They work with the City Council and have a two-day community festival the fourth week in June.

The monthly meetings are held on the second Tuesday of the month at 7:30 p.m. and are open to the public.

Plans are underway for the 1988 festival and the churches, local clubs, all groups and interested individuals are asked to be represented.

Joyce Brockhouse is chairperson and Penne Miller is secretary-treasurer.

The next meeting will be held on Nov. 10.

The RE-ACT volunteer group from the Quad Cities will provide volunteer services for the Princeton Days celebration. They provide patrol and medical services.

city not purchase the property from the Farmers Savings Bank and O'Toole seconded. M.C.

The disconnection of water and sewer at 322 Highway 67 was discussed at this time. This property has been purchased by the Department of Transportation and will be razed when the highway is widened through Princeton. Woomert made a motion that water and sewer service be permanently discontinued at this address and Litscher seconded. M.C.

The wooden Indian that the Princeton Days Committee purchased and donated to the City was discussed. The Indian was carved with a chainsaw and it was mutually agreed upon that it probably would not last long if it was placed at Clemons Parks on the riverfront. The flagpoles and flags have been stolen numerous times and things have been vandalized at the parks so it was agreed upon that the Indian be mounted in cement and placed up at City Hall where there is security lighting and it is also the Police Station. Hopefully it would not be vandalized on this property.

The Resolutions adopting Amendments to the Articles of Agreement of the Iowa Municipalities Worker's Compensation Assoc. (87-9) and (87-10) Authorizing the Execution and Delivery of a Worker's Comp. Coverage Agreement and Authorizing and Approving the Issuance of Bonds by the Iowa Municipalities Worker's Comp. Assoc. were discussed and O'Toole made a motion to table this until the September meeting so councilman Kernan could look them over also and Dittmer seconded. M.C.

The permanent closing of Little Drive where it intersects with Highway 67 will take place at the September council meeting also when a public hearing will be held.

Litscher made a motion that the meeting be adjourned and O'Toole seconded. M.C.

Woomert made a motion that all bills be paid and Litscher seconded. M.C.

Resolution 87-7 was discussed at this time which concerns the agreement between the City of Princeton and the Iowa Dept. of Transportation for the U.S. Highway 67 reconstruction project. O'Toole made a motion that Resolution 87-7 be passed and Dittmer seconded. M.C.

Edith Oertel was present at the meeting to discuss with the Mayor and Council the possibility of her purchasing Hubbard Street which is the city street south of her property. Woomert and O'Toole stated that they definitely were not in favor of selling city streets and also that Mrs. Oertel did not own the property located on the other side of the street. The other owners also have access to Hubbard Street as it is city street. Woomert made the motion that the city not sell this portion of Hubbard Street to Mrs. Oertel and O'Toole seconded the motion. M.C.

Discussion was held concerning the possibility of the city buying the property located south of the Post Office from the Farmers Savings Bank. It was discussed as being used possibly as a parking lot for cars and trailers by the River Drive Parking Committee when they made their suggestions to the City Council on alleviating parking problems. Dittmer made the comment that he'd much rather the property be sold as a business as it is in an ideal location for a business. It was also noted that the lot would not be able to accommodate many vehicles and trailers. Dittmer made a motion that the

GOSPEL

MESSAGE "Gift of Community" John 15:11-17  
Father Jack Gallagher

OFFERING

The offering this morning will go to the three churches as determined by names appearing on the envelopes or checks. The loose offering will go to some worthy charitable community endeavor.

PRAYER

Leader, Pastor J. Erik Holmer

L: Our Father, Who art in heaven

P: FOR THE FELLOWSHIP OF CHRISTIANS THROUGHOUT THE WORLD, FOR THE PRIVILEGE OF WORSHIPPING YOU, FOR THE PROMISE OF ALL THAT WE NEED TO REMAIN YOUR CHILDREN, WE PRAISE YOU, O GOD.

L: Holy be Your Name

P: FOR REVERENT HEART WHICH LOVES YOUR WORD, FOR LIPS THAT REJOICE TO SING YOUR PRAISES, FOR UNDERSTANDING OF THAT WHICH IS RIGHT AND TRUE, WE BESEECH YOU.

L: Your Kingdom Come

P: FOR A LIVELY FAITH, FOR A CLEANER WITNESS TO OUR FELLOWMEN, FOR GREATER LOVE TO ALL PEOPLE, WE IMPLORE YOU, O LORD.

L: Your Will Be Done

P: FOR GRACE TO OBEY, FOR WILLINGNESS TO SERVE, FOR JOY OF WORSHIPPING YOU ABOVE ALL ELSE, WE BEG OF YOU, O FATHER.

L: Give Us Today Our Daily Bread

P: FOR DAILY GIFTS WHICH MEET OUR DAILY NEEDS, FOR FREEDOM FROM CARE, FOR JOY IN SHARING OUR GIFTS WITH NEEDY PEOPLE OUT OF GRATEFUL HEARTS FOR YOUR GOODNESS. WE THANK YOU, OUR FATHER.

L: Forgive Us Our Sins As We Forgive Others

P: AWAKEN US IF WE HOLD GRUDGES, REFUSE TO FORGIVE, LOOK WITH DISTAIN ON THE LESS FORTUNATE, AND SHOW PREJUDICE TOWARD RACIAL OR CLASS POSITION.

L: Help in Time of Testing

P: WHEN TESTED, TO TRUST YOU MORE; WHEN TEMPTED, TO SEEK GUIDANCE TO KNOW RIGHT FROM WRONG; WHEN CONFRONTED TO DISHONOR OR DENY, TO HAVE COURAGE TO CONFESS THE RIGHT, LEAD US OUR FATHER.

L: Deliver Us from Evil

P: PROTECT US FROM HARM AND KEEP US FAITHFUL IN OUR TRUST AS WE FACE DEATH OR TRIAL -- DELIVER US GRACIOUS GOD.

PRINCETON DAYS COMMUNITY SERVICE

June 26, 1988

7:30 a.m.

INVOCATION:

"In the Name of the Father, and Son and Holy Spirit."

OPENING HYMN:

"Beautiful Saviour"

1. Beautiful Saviour!  
King of Creation!  
Son of God, and Son of Man!  
Truly I'd love Thee,  
Truly I'd serve Thee,  
Light of my soul, my Joy, my Crown.
2. Fair are the meadows,  
Fair are the woodlands,  
Robed in flow'rs of blooming spring;  
Jesus is fairer,  
Jesus is purer;  
He makes our sorr'wing spirit sing.
3. Fair is the sunshine,  
Fair is the moonlight,  
Bright the sparkling stars on high;  
Jesus shines brighter,  
Jesus shines purer  
Than all the angels in the sky.
4. Beautiful Saviour!  
Lord of the nations!  
Son of God and Son of Man!  
Glory and honor,  
Praise, adoration,  
Now and for evermore be Thine!

INVITATION TO WORSHIP:

Leader, Joyce Brockhouse

L: Let us begin with singing:

P: WHETHER WE FEEL LIKE IT OR NOT, LET US MAKE GLAD  
SOUNDS AND FORCE OUR TONGUES TO ARTICULATE WORDS  
OF THANKSGIVING AND PRAISE.

L: The fact is: God is with us. This world and we who  
live in it are His. He loves us: He has adopted us  
as His children. We belong to Him.

P: THIS MAKES US VALID, AND WORTHWHILE. WE ARE TRULY  
SIGNIFICANT IN THE EYES OF GOD. IRRESPECTIVE OF OUR  
HUMAN FEELINGS OR THE COMMENTS OF OUR CRITICS ABOUT US.

L: This may not be the way we feel today, but this is  
the way it is.

P: WE DON'T NEED THE PLAUDITS OF OUR PEERS, FOR WE HAVE  
GOD'S STAMP OF APPROVAL.

L: So let us begin with singing, whether we like it or not.

P: THEN WE MAY END THIS DAY WITH PRAISES BECAUSE WE  
KNOW - AND MAY FEEL - THAT WE SHALL FOREVER BE THE  
OBJECTS OF GOD'S CONCERN AND THE CHILDREN OF HIS LOVE.  
(From Psalms/Now Brandt/Corita)

HYMN:

"My Country, Tis of Thee"

1. My country, 'tis of thee,  
Sweet land of liberty,  
Of thee I sing;  
Land where my fathers died,  
Land of the pilgrim's pride,  
From ev'ry mountain side  
Let freedom ring.
2. Let music swell the breeze,  
And ring from all the trees  
Sweet freedom's song:  
Let mortal tongues awake;  
Let all that breathe partake;  
Let rocks their silence break,  
The sound prolong.
3. Our fathers' God, to Thee,  
Author of liberty,  
To Thee we sing:  
Long may our land be bright  
With freedom's holy light;  
Protect us by Thy might,  
Great God, our King.

SCRIPTURE:

Romans 12:14-18

PRAYER:

Send, we pray Thee, Almighty God, Your Holy Spirit into  
our hearts, that He may rule and direct us according to  
His will and by Thy gracious mercy. Direct us,  
particularly in these our Princeton Days, by Thy gracious  
favor, and further us in being steadfast in our faith  
and in our loyalty to the cause of love and mercy.  
That in all our works we may glorify and praise Thee  
all the days of our life. Give us the assurance that  
we have been faithful in all our words and deeds.  
To Thy glory. Amen.

# Grand Marshals

Princeton salutes Paul & Dorothy Kernan by selecting them as Grand Marshals of the 1988 Princeton Days Parade.

Paul & Dorothy were the proprietors of Kernan's Riverview Restaurant for 12 years, and for the past 14 years, have remained active in the family business. The restaurant was purchased from George & Anna Beuse in 1962. Paul and Dorothy had no prior restaurant experience, but with their hard work and friendly dispositions the business remained successful.

Paul was always a familiar face behind the bar, always greeting patrons with a big Hello and a friendly smile!

You might find Dorothy in the kitchen baking one of her famous cream pies or out in the dining room making people feel welcome.

Finding help was never a problem as the Kernan's had nine children, all of whom participated in the family business at one time or another.

Paul and Dorothy are the parents of Patrick, deceased, Marianne Weis, Kathleen Stähle, Michael, Margaret Lassiter, John (Terry), Colleen Morthland, Eileen Stichter, and Patricia Morgan. Grandchildren number 23 and Great Grandchildren at 3½! Most family celebrations are held at the restaurant since the "Clan" is so large!!

Paul's hobbies include fishing, duck hunting and pitch games, while Dorothy's of course was raising children!

Next Thursday June 30th Paul and Dorothy will celebrate their 54th wedding anniversary, congratulations is certainly in order!

Princeton would like to say "Thank You" for your many years of service to the community.

# PRINCETON FUN DAYS GRAND MARSHALLS: JACK AND ELLA FICK

Mr. and Mrs. Jack Fick will be honored this year as the Grand Marshalls of the "Princeton Fun Days Parade". Princeton is celebrating "160 Years on the River" in conjunction with Iowa's Sesquicentennial.

Jack and Ella have been residents of Princeton since their marriage in October of 1955.

Jack came from Big Rock, Iowa and was employed at Alcoa. Since retiring he has kept busy with his vegetable and flower gardens, and has an old car he likes to care for and also, is a volunteer driver for CASI, delivering meals. Jack is a Past Master of Masonic Lodge # 44 of LeClaire, Iowa. Jack is a Princeton Lion, too.

Ella was employed at a Federal Government job in Rock Island, Ill. She loved visiting with the children around town, so it was natural to accept a job at the Princeton Branch of the Scott County Library, retiring in September of 1977. Ella also enjoys flowers and talking with friends and neighbors about their gardens. She is a member of King's Daughters Circle in Rock Island, Ill.

Jack and Ella both are members of the Zion Lutheran Church in Princeton and enjoy their church family. They also enjoy attending most all of the community dinners in Princeton and surrounding areas.

## O'Malleys take place at front of Princeton parade

By Barb Geerts

William O'Malley was a crew member of a B-24 "Liberator" bomber when it went down over enemy territory back in 1945.

O'Malley managed to survive a hairy parachute jump, a frost-bitten foot, and a nazi detention camp before he was freed at the end of World War II.

This Sunday, O'Malley and his wife, Lois Suiter O'Malley, will be honored by the community of Princeton, as they take their places as grand marshals of the "Grand Old River Days" parade. The event, which, Lois promises will be attended by the entire O'Malley clan, is part of the Princeton Days celebration.

Bill, a retired lawyer, is a davenport native who moved to the riverside community in 1964. His wife, an interior, is a native of Princeton.

During a chat with the couple on the deck of their beautiful home overlooking the Mississippi, Bill recalled his stint in the Air Force during the waning days of war. From their base in Italy, Bill and his fellow crew members flew missions into southern Germany, Yugoslavia and Austria.

It was early 1945 when the crew of about 13 took off for a "routine" mission to Vienna. "We lost an engine while we were still over enemy territory," he said. "A little while later, we lost another engine."

Mountainous regions stood between the crew and its home base, and the plane was losing altitude. "We couldn't make it back."

Bill-who, like the others in his group, had received only the most basic training in parachuting--bailed out of the plane. To prevent the enemy from taking possession of the craft, it was placed on auto pilot so it would eventually crash, he said.

O'Malley's chute had opened properly, but he found himself heading for a large stream. "I decided I'd try to land short of it, so I collapsed part of the chute" to accelerate the landing, he noted. It worked. He landed unscathed, but minus one boot.

Bill knew that enemy soldiers had certainly seen the group descending (parachutes aren't hard to spot). Luckily, he landed near a wooded area and was able to hide from a group of German soldiers who were heading in his direction.

Bill was unprepared for a winter trek through the Austrian countryside, his unprotected foot exposed to the frigid cold. He wandered the countryside for four days before spotting an aging German in a military uniform. Knowing the odds of escaping to Allied-held country in his condition were slim, Bill decided to surrender to the man.

"The soldier--he looked like what I 'd call a 'home guard'--took me to his home," O'Malley recalled. The soldier and his wife fed the "prisoner" and treated him well, he said.

O'Malley--who spoke hardly any German--managed to convey that he was from Iowa. Ironically, the couple had a son who had been captured by the Allies and was a prisoner in Red Oak, Iowa.

Lois said Bill assured them that their son was being cared for there. That was welcome news from the "captive" and certainly didn't diminish his chances for humane treatment from the enemy soldier. "He really surrendered to the right person," she said.

O'Malley was taken to a small, German installation and turned over to the authorities. He then was taken by train to a prison at Wetzlar, which served primarily as an interrogation area and temporary holding facility.

Bill's foot, severely damaged by frostbite, was treated by a local German doctor who came to the prison once a week--on his bicycle. The prisoners knew the war wasn't going well for the Germans, because the doctor often reported that he was being shot at on his way to and from the installation, indicating the Allies were closing in.

O'Malley was forced to remain in prison just a few months before the Germans surrendered. And they never got around to sending him to one of their notorious stalags.

"They were pretty busy with other things at the time," Lois added.

**O'MALLEYS ARE GRAND MARSHALS--** Retired Princeton lawyer Bill O'Malley and his wife, Lois, an interior designer, will serve as the grand marshals of this Sunday's "Grand Old River Days" parade in

Princeton. Bill, who served with a bomber group based in Italy in WW II, became a prisoner of war when his aircraft lost power behind enemy lines.

## Princeton to celebrate 'Grand Old River Days'

Joyce Brockhouse

When it comes to helping her community, Joyce Brockhouse has done everything from sandbagging (during the '65 flood) to "Santa-cizing."

And that's why Brockhouse was selected to serve as grand marshal for this year's Grand Old River Days Parade, to be held beginning at 12:30 p.m. Sunday, June 24.

Brockhouse will have a place of honor in the parade--one of many activities which will be going on in the riverside community throughout the weekend.

The grand marshal, who has been working behind the scenes on the annual celebration since 1976 (many years as chair of the event), said she was "very pleased and very honored" to be chosen.

Her co-workers at Virgil Grissom School--where she has been a secretary for 15 years--have been giving her some good-natured ribbing since she was selected to lead the parade--including offering their salutes when she comes into the room, and calling her "grand marshalette." But that's

only because they like her.

"Joyce is an incredible person that is constantly on the go for other people," Grissom Principal Jim Pfaff said, out of earshot of the secretary, who is a little overwhelmed by all the attention. "She is always...on the lookout for something she

can do to help make someone else's life a little bit better."

One of the ways Brockhouse has made life better for residents of her community is

**PRINCETON DAYS**  
please turn to page 3

Once again we are asking for your participation in Princeton Days. Our program is filling, and we want your help in making this year's Princeton Days better than last year.

Each year we, the Committee, ask the organizations in the community for their involvement in the activity. Each year the same core group of each organization usually responds. Each year the participation becomes more of a chore. Our Committee has the same problems as any organization. There is a core group year after year, and there are others who come for a few meetings, or hopefully, for a year.

After talking with some of you, I feel it is time to reiterate the idea of Princeton Days. The original idea of Princeton Days was the same as it is today. It is the idea that for one weekend the community comes together to produce and enjoy fun and each other. It is the only time of the year that all various organizations come together to do something for and with each other and the community. Secondary to that idea, is the hope that the organizations in the community can come together and make a little money.

We would hope, as we try to do with the Committee, that each member of each organization would take a year to participate in Princeton Days. If each person did that, then we would have continuing ideas and activities. That also means that each member of each organization could enjoy Princeton Days in other years with pride, knowing that they have helped and will help again.

This is an opportunity to show the citizens of the other communities what Princeton is like. It is an opportunity to give members of our community pride in our community through accomplishment, and it is also one of the few activities in the area where so many can enjoy so much for free. There is no gate fee or charge for Princeton Days, and most of the activities are free. In this day and state of economy, that is quite a blessing for everyone. It is the type of activity to which parents can bring their children and not worry about them.

So, please, when we ask for your participation, return it in the same spirit which has made Princeton Days one of the finest celebrations around.

Thank you.

## Big weekend on tap at Princeton

PRINCETON DAYS  
continued from page 1

through the Princeton Santa program, which she implemented several years ago.

Brockhouse said the idea of the Princeton Santa came to her when she saw students coming to school ill-clothed and ill-prepared to meet the winter's chill. "I saw the need for (helping) the less fortunate at Christmas time, so we started the Princeton Santa."

She and her husband, Earl, issued an appeal to area residents, asking for donations with which to purchase groceries and other items which could be distributed to low-income families who would otherwise face a bleak Christmas.

"The response was overwhelming," said Brockhouse, who has been able to see, firsthand, the difference these small gifts have made in the lives of these children. She recalled seeing one little girl come in with her family to pick up a "care package." The girl wore shoes which were so tattered, one of them was being held together with tape.

The next day, the girl received a new pair of shoes--courtesy of the Princeton Santa--which she proudly wore to school.

The Brockhouses, who have three grown children and six grandchildren, find great satisfaction in reaching out to these families. "I don't know what Christmas would be anymore without (the Princeton Santa) in our lives," she said.

The success of the Santa project prompted organizers to expand the program to offer year-round assistance to these families. The Christian Community Action Program (CCAP) involves volunteers from several churches in the community who work to "fulfill the needs of more people throughout the year," according to Brockhouse. CCAP recently won a state award recognizing the efforts of its volunteers.

Since Brockhouse moved to Princeton from Davenport in 1943, she has been actively involved in numerous community projects. She represented Princeton on the organizing committee for the formation of the North Scott Community School District--by which she would later be employed--and was co-chair of the first and all-inclusive North Scott Parent-Teacher Association.

Brockhouse is also a member of Friends of the Library, an organization which renovated the former Farmers Savings Bank building to be used as Princeton's new Scott County Library System station.

In addition, the grand marshal is a former county 4-H officer and a member of Zion Lutheran Church in Princeton, where she

has served on church council. She is also a member of American Legion Auxiliary Post #347; has served as state officer for the Iowa Secretary's Association for four years, and is president of the Classified Association for the North Scott district.

Those who know Joyce know she isn't the type to do things halfway--whether it's in her job or her volunteer efforts. "I've always taken a lot of pride in whatever I do," said Brockhouse, who is one of Princeton's biggest boosters. "I (have) a high esteem for my community," she added.

That community will be turning out in force for this weekend's celebration, which will offer plenty of food and fun.

"Grand Old River Days" will start off Saturday with a pancake breakfast beginning at 7:30 a.m. Saturday. Runners for a one-mile "Fun Run" will step off at 8 a.m., with the five-mile run to follow at 8:30 a.m.

Saturday afternoon activities include co-ed slow pitch baseball tournaments, big wheel races, bingo, carnival-type rides, arts and crafts show, sea plane rides, a fire station open house, and a homemade pie judging competition.

"Lickity Split" will provide the music for a teen dance from 3-5 p.m., and the

Jubilee Dance Company will entertain from 4-5 p.m. The Backwater Gamblers will present a water show at 6:30 p.m. The day will wind up with a street dance from 8:30 p.m. to 12:30 a.m. on River Drive.

Sunday's activities begin with breakfast by the Lion's Club, followed by the continuation of the baseball tournament. The Children's Pet Show will be held at 10:30 a.m. at Clemmon's Park. The carnival rides, sea plane rides and craft show will continue.

Firemen will square off at 1:30 p.m. for a water fight; 1:30 is also the time for mud volleyball. The pedal tractor pull is scheduled for 1:30 p.m., as is an amateur horse-shoe contest.

Two o'clock is the time for the Krazy Canoe races, and the Jubilee Dance Company performs at 5 p.m. The event will draw to a close with a raffle drawing at 6 p.m.

There will be plenty of food available during the celebration, including "buffalo burgers," barbecue beef, roast pork, hot dogs and other goodies.

**Dancers to perform at Princeton Days**--Members of the Jubilee Dance Co., of Tracy's Dance Center in LeClaire, will perform both Saturday and Sunday at the Princeton Days celebration. They are, front row, left to right, Rachel Putman, Audra Bailey and Jennifer Brown. Back row, Kim Havill, Jennifer Kerr, Matt Zelle, Jessica Reynolds and Jackie Whitbeck. Manager of the dance studio is Patty Havill.

The Princeton Day Parade will be held Sunday, June 24 at 12:30 p.m. with line up at Virgil Grissom School. Anyone wishing to be in the parade may call Margaret Lassiter at 289-5315.

## Neighbors hope Davenport's efforts will eliminate odors

■ Plant's smell drives residents indoors

By Barb Arland-Fye  
QUAD-CITY TIMES

Rod Conner says odors are wafting from sludge piles at Davenport's Water Pollution Control plant and are fouling up his early morning jogging.

Plant manger Jim Resnick told aldermen last week that the odor problem has been eliminated by applying lime to the sludge.

Conner and some of his neighbors disagree.

They say the odor is not constant, but it can be so offensive at times that it keeps them inside their houses in west Davenport.

Last weekend the odors were particularly

pungent, said Linda Lytle, 3209 Orchard Ave., who lives about 1 1/2 miles from the plant at 2606 S. Concord St.

"My son came out to play and he turned back and came in the house, holding his nose. He said, 'Mom, it smells like a pig pen.'"

Mrs. Lytle said she takes a whiff outside before deciding whether to hang her laundry.

"You smell it a lot of times when it's hot and muggy," said Shelly Meier, 3213 Orchard Ave.

She said she hasn't noticed the odor recently because she is staying inside her air-conditioned house.

"People notice it more on the weekend when they have a barbecue or they are out on their patios," Conner said.

Assistant City Administrator Dee Bruem-

mer said, "We are doing everything in our power to limit the odor to the plant site."

She met with plant employees this past week to ensure that odor elimination is a top priority. "We're going to do what it takes to eliminate odor from the neighborhoods."

That odor problem will disappear once a compost facility is built. There, the sludge will be combined with yard waste and converted to compost.

But the Scott Area Solid Waste Management Commission is having difficulty finding a spot to build the project because of opposition from potential neighbors.

Meanwhile, the sludge must be hauled to a landfill in the Illinois Quad-Cities. Space limitations at the Scott County Landfill prevent it from being hauled there.

## City tries recycling a house

While you are carefully recycling aluminum cans and paper bags, the city of Davenport is recycling a house.

It is part of a composting experiment to determine whether construction materials can be mixed with sludge to create compost.

Just how do you recycle a house? Take the demolished remains, put them in a huge tub grinder and then mix them with sludge, Assistant City Administrator Dee Bruemmer said.

The ingredients have to be

carefully mixed and composted. Ultimately, the mixture will become a soil substitute.

The experiment is happening behind Davenport's Water Pollution Control Plant.

"Construction and demolition material is a land-filler. It's bulky, it's big and it takes up a lot of space," Bruemmer said.

Cities all over the country are experimenting with lots of creative recycling methods.

"In Minnesota, they were composting municipal solid waste. They used it for highway restoration," she said.

## Princeton salutes the river

Celebration remembers the Mississippi's past

By Jennifer Waddell  
QUAD-CITY TIMES

PRINCETON, Iowa — Princeton's River Drive transformed into a midway of fun this weekend.

The annual Princeton Days celebration saluted the "Grand Old River Days" with two days of action for the river town's residents and visitors.

Dinah Holst and her family came out Sunday to enjoy their home town's festivities. "We're here for the parade. A lot of our friends were in it," she said. "We were encouraging them to throw us candy."

"But we're also looking forward to some lemonade and beer."

Children were all smiles as they whirled around the Ferris wheel and jumped and bounced on the Moonwalk. But shrilling screams came from

**"We're here for the parade. A lot of our friends were in it. We were encouraging them to throw us candy."**

— Dinah Holst

those braving the Texas Twister.

Others took a chance on the carnival games, hoping to take home a prize. A live bunny awaited those skilled enough to throw a ball into a glass dish floating in water.

"I gave three away Saturday," vendor Tat Eastwood said. "But one of the rules is the kids have to get their parent's permission before they take a bunny."

If Mom and Dad said no, there were Teddy bears, pillows and other stuffed animals to choose from, he said.

Jan Bohms of East Moline was on

hand for the entertainment — dancing by her daughter Lindsey's troupe from Tracy's Dance Center in LeClaire. "We also brought a fan club from Tampico, Ill.," her mother said.

Some festival-goers were satisfied munching on corn dogs, cotton candy, popcorn, snow cones and other traditional festival fare as vendors tried to sell them arts and crafts, T-shirts, balloons, toys and other prized possessions.

Karen Roberts and her step-mother, Pauline Foor, were enjoying their last day of the festival much more than the first day, which brought cool and cloudy weather and smaller crowds.

"We had a tent Saturday, but it wasn't even worth setting up," said Roberts of West Liberty, Iowa. "We're selling some things today. There's a nice crowd here today."

O'Toole asked about the bills from Motorola. O'Toole asked if the \$14,850.00 bill from Motorola should be paid for the Fire Department's pagers, etc. as the signals are not all being picked up by them. Mayor McLaughlin stated that until Fire Chief, Roger Woomert, Art Miller from the Sheriff's Department and the Mayor and Council are satisfied with the transmission of the signals the bill will not be paid. Mayor McLaughlin informed LeClaire dispatching that we will continue with their dispatching until further notification.

O'Toole also asked about a bill for flowers purchased by Kathy Havenhill. Kathy stated that part of that amount was for roaster cords also. O'Toole said that maybe next year rather than three or four people purchasing flowers one person could do it. He also said that the residents that take care of the flowers at the three Princeton signs are doing a fine job.

Mayor McLaughlin stated that he has been in touch with Ed Choate, City Administrator for LeClaire concerning the subdivision agreement between the two cities. Scott County suggested that the two cities get together on the matter. Mayor McLaughlin said when Mr. Choate returned from his trip they would meet.

Ann Geiger and Sheila Bosworth attended the meeting to ask the City to withdraw their support for the Princeton Days Celebration. Mayor McLaughlin told Mrs. Geiger that he thought she was out of order and that she should take her complaints to the Princeton Days committee which will be meeting on the following Tuesday evening. Dave O'Toole stated that he was chairperson of the event and has not received any complaints on the celebration. Mrs. Geiger said for the past two years she has told committee members of her disapproval. Mayor McLaughlin said if the people of Princeton did not want to continue with Princeton Days there were welcome to attend the meetings and give their opinions. Further discussion was held and Mayor McLaughlin said Ann was welcome to attend any and all council meetings and petition the Council on the Princeton Days matter, but he still suggested she confront the Princeton Days committee with her complaints first. Sheila Bosworth said she was not in town for Princeton Days but over the weekend her cat was killed and it was not run over by a train or a car. Also she was approached by a woman with a small child that said the carnival crew should have better fencing around the carnival rides. Further discussion was held and Mayor McLaughlin said they were welcome to come back to a council meeting and have the matter put on the agenda if they wished.

Duane Sprout attended the meeting to discuss a bill he sent to the City for a water leak he repaired at a residence at Highway 67. Mayor McLaughlin stated that the people did not want to pay the bill because they did not contract Duane to do the work. Mayor McLaughlin said if the City told him to fix the leak he would be paid for his work. Further discussion was held and the mayor said the bill would be paid.

Discussion was held on the matter of the vacating of Cherry Street west of Second St. City Attorney, Jeff Paul has discussed the matter with John and Mildred Gesell's attorney and the plan the Gesells proposed is to replat the property dividing it into two lots subdividing it according to the subdivision ordinance. Once the subdivision ordinance is accepted by the council, the procedure would be to present the council with a final plat and also the zoning commission and once it is accepted it can be filed with the county and they will have a clear title to the

property. At this time there is no legal record that the street has been vacated but there is a building at this site and the Gesells have been paying the taxes on the said property. Jeff Paul said this matter could be resolved at the August council meeting. Kernan said he would like to have the council see a copy of the plat prior to the meeting. Jeff said this would be taken care of so the council would have access to the final plat before the meeting.

The council was presented with proposed pay scale for city employees for the 1991-1992 fiscal year. Mayor McLaughlin read the proposed pay raise for each employee. The matter was discussed and the council agreed that the matter had been discussed at the budget meetings. Kernan made a motion to accept the resolution accepting the pay raises for the 1991-1992 fiscal year. O'Toole seconded, M.C.

**RESOLUTION 91-4 SETTING SALARIES FOR APPOINTED OFFICERS AND EMPLOYEES OF THE CITY OF PRINCETON FOR THE FISCAL YEAR 1991-1992.**

Be it resolved by the Council of the City of Princeton, Iowa:

Section 1. The following persons and positions named shall be paid salaries or wages indicated and clerk is authorized to issue warrants, less legally required or authorized deductions from the amounts set out below, on a bi-weekly basis, and make such contributions to PERS and Social Security and for other purposes as required by law or authorizations of the Council, all subject to audit and review by the Council:

(See table at top of page)

Discussion was held on zoning for the property at Lost Grove Road, the former poultry hatchery. Mayor McLaughlin said that Ron Bosworth had sent information to him and this was passed on to John Bridges. It will be up to John to proceed with the proper steps to have a public meeting on the property. It was also suggested to him to have a survey done on the property. O'Toole made a motion to table the matter, Kernan seconded, M.C.

**Correspondence:**

A form was sent to the City regarding the planting of trees through a cost share program. The program is called Green Team and it is through Iowa-Illinois Gas & Electric Company. The City would be asked to put up to some money through civic organizations and Iowa-Illinois would match those funds. The City sent in the application and asked for a \$1,000.00 match. The City would provide some of the labor, and the City was to set up a committee. The City is waiting to hear if the application will be accepted. If the application is accepted trees will be planted in several of the City parks.

Sheila Bosworth stated that she is on the landfill committee that is working on a site for the new landfill and if anyone has any questions or needs information they can contact Sheila.

Sheila also said that the ditch in front of their home had been dug out and a culvert had been replaced there. She asked if there was some way this could be oil and chipped. Sheila said it is not possible to now it now. She said she will try to plant something there but it still needs other work. Mayor McLaughlin said he would have Jack Hall take a look at it and see what can be done.

Dave O'Toole asked when the county would be stripping Lost Grove Road, Mayor McLaughlin said we have a contract with the county and probably after they finish the bridge work in the area they will get at the stripping project.

O'Toole also reported that down by the new culvert that was put in by Bridges is full of junk and trash. O'Toole said if we have any heavy rains it could cause a real problem. Mayor McLaughlin said he would have Jack Hall go down and see what is there and ask the people who are dumping in the area to clean it up.

O'Toole asked if Jack Hall could put some rock in at the bridge at the jetty. He said the water was down and the holes need to be filled.

O'Toole also asked about the Contel building on Third Street. Jeff Paul said we have not heard anything on the matter but would inform the council when he heard anything.

Sheila Bosworth asked how long the City intends to put fill up at the Water Tower Park. Mayor McLaughlin said the plan was put in another ball diamond at the site. It is intended to be part of the park. As far as dumping goes people are not to be dumping anything but fill. Jack Hall has been trying to monitor the area so people do not use it as a dump. Mayor McLaughlin said he would have the parks committee look into the matter and see what the plans are for the area.

Woomert made a motion the meeting be adjourned, Kernan seconded, M.C.

GRAND OLD RIVER DAYS GRAND MARSHALS

1992

KEITH AND KATHY HAVENHILL

Ronald "Keith" Havenhill was born April 6, 1935 in Wapello, Iowa to Samuel T. and Beulah Marlette Havenhill. Keith's family moved to Princeton when Keith was eight years old. Keith attended Princeton elementary school and graduated from LeClaire High School in 1953. He started working at Alcoa in May of 1953 and retired in 1990. He served in the Army from 1957 to 1959, stationed in El Paso, Texas. Since retiring Keith likes to go fishing, does small engine and lawn mower repair.

Katherine M. Reep Havenhill was born April 1st, 1937 in LeClaire, Iowa to William H. and Joyce Gilbert Reep. Katherine attended Scharff's School and graduate from LeClaire High School in 1955. "Kathy" worked at Lunex anodizing plant in Pleasant Valley and Hirl's station and diner in Princeton before marrying Keith. "Kathy" and "Keith" were married at LeClaire Four Square Church on September 19, 1958, which was also her grandparents, Mr. and Mrs. John Gilbert's 57th wedding anniversary.

"Kathy" and "Keith" have four children, Curtis, Dawn McMeen, David, and Mrs. John "Bambi" Rankin, all living in Princeton. They have three granddaughters; Maranda McMeen, Brandy and Erika Havenhill.

"Kathy" has worked for the City of Princeton as janitor for 22 years and as crossing guard for 3 years. She has also sold Avon and Watkins products. Kathy was a Quad City Times carrier for 7 years and is a child care provider.

"Kathy" was a member of the Princeton Womens Civic Club and past president for 2 years. She was a den mother with "Keith" as her assistant for 3 years. "Kathy" has helped school children with math and reading difficulties and Keith has taught 4th, 5th and 6th graders basic electrical repair and how to use and handle carpenter tools.

"Kathy" has also been on the LeClaire Ambulance board as is a past secretary of the Princeton Days Committee. They have helped and organized the children's Halloween Parade in Princeton for 20 years, also Santa's Visit to City Hall for 10 years. "Kathy" was also involved in little league and girls softball and was official score keeper for the tournaments for 2 years.

"Keith" and "Kathy" have planted 2 maple trees in the Old School Park. They are both on the Princeton Volunteer Fire Department, "Keith" since 1961 and "Kathy" since 1975. "Kathy" started as a radio operator and does all the reports and keeps the records. They became medical first responders in 1989 and certified defibrillator operators in 1991.

They enjoy telling the children about fire safety and emergency medical care and they help with tours at the Fire Station for the Virgil Grissom students and pre-school children. They are the secretaries for the Scott County EMS Association and are on the 911 Association Committee.

Thank you "Kieth" and "Kathy" for your community support through out the years.

## GRAND OLD RIVER DAYS - "135 YEARS ON THE RIVER"

### GRAND MARSHALL - MAE AND WALDO JONES

MAE and WALDO have been married 58 years, having lived in Princeton township all of their lives and in their present home for 45 years.

MAE went to Sand Hill School. She has worked for Kernan's in Princeton, baked for Bishop's in Davenport, Mr. C's in LeClaire, Raymond's in Camanche and just recently retired from Johnson Manufacturing in Princeton after 24-1/2 years of employment. Mae always has a big garden and does lots of canning. She loves flowers, picnics, quilting, craft work, crocheting, reading and watching sports on television with Waldo. She enjoys making special treats for residents at Princeton's Elderly Housing and is always cooking, baking and doing "something" special for friends and family.

WALDO went to the old Princeton School. He lived in town for 18 years and then moved to the country. He loves farming and has 156 acres of corn planted this year. He has been engaged in farming for 60 years. He enjoys reading, snowmobile riding, playing golf on his mini golf course in their front yard, picnics, flowers, gardening, watching sports on television with Mae, and delivering the special things Mae makes for friends and family.

MAE and WALDO are members of the Buffalo Bill Museum, the Community Improvement Corporation in LeClaire and 60 Plus. They have helped Bob Vogelbaugh with his FREE Thanksgiving Dinner at Hardees in Southpark for 12 years by donating their time and food.

MAE and WALDO are the parents of; Donald, LeClaire, Walt, Pleasant Valley, and Karen Bruhn of Davenport. They especially enjoy their grandchildren, great-grandchildren and dog, "Beauty".

### Waldo Jones

11/21/94  
PRINCETON, Iowa — Services for Waldo E. Jones, 82, of Princeton, will be 1 p.m. Tuesday at Runge Mortuary, Davenport. Burial will be in Davenport Memorial Park.

Visitation is 3-8 p.m. today.

Mr. Jones died Saturday at Genesis Medical Center-East Campus, Davenport.

He farmed in the Princeton area for more than 60 years.

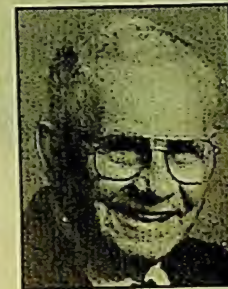

He married Mae Stichter in 1935 in Nashua.

He was a member of the Quad-City Plus 60 Club, Buffalo Bill Museum, LeClaire; and LeClaire Community Improvement Association. He enjoyed snowmobiling, golfing, watching sports on television and discussing politics.

Memorials may be made to Princeton Volunteer Fire Department or the LeClaire Ambulance Service.

Survivors include his wife; a daughter, Karen (Mrs. Allen) Bruhn, Davenport; sons, Waldo L., Pleasant Valley; and Donald E., LeClaire; four grandchildren; four great-grandchildren; and a sister, Caryl Graham.

He was preceded in death by a grandson.

## Major housing addition planned

98-lot subdivision near Rustic Ridge gets nod from P&Z

by Timothy Connors

Eldridge Partners, a Mel Foster company, got an official go-ahead from the Eldridge Planning and Zoning Commission Thursday night to begin the construction of one of the largest residential developments to be announced in the City's history.

According to current plans, the completed Rustic Ridge Estates development would include 98 lots on 41.35 acres immediately west of Rustic Ridge Golf Course and south of Iowa Street.

The Planning and Zoning Commission unanimously approved the plan after a discussion which took less than a half-hour. The plat is now subject to City Council approval.

Eldridge Partners Spokesman and Mel

Foster President Rob Fick said the houses will tend to be mostly two-story, four-bedroom structures which he guessed would sell for between \$100-150 thousand.

The plans call for a southward extension of South 9th Avenue, new sections of Oak Street and Hickory Street, two new cul-de-sacs, and a new street.

Fick said he hopes to have construction of the first 25 homes underway next month.

"If we move dirt in July, hopefully we'll have them closed by the fall," Fick said. "I'm hoping on a rate of around 25 homes per year."

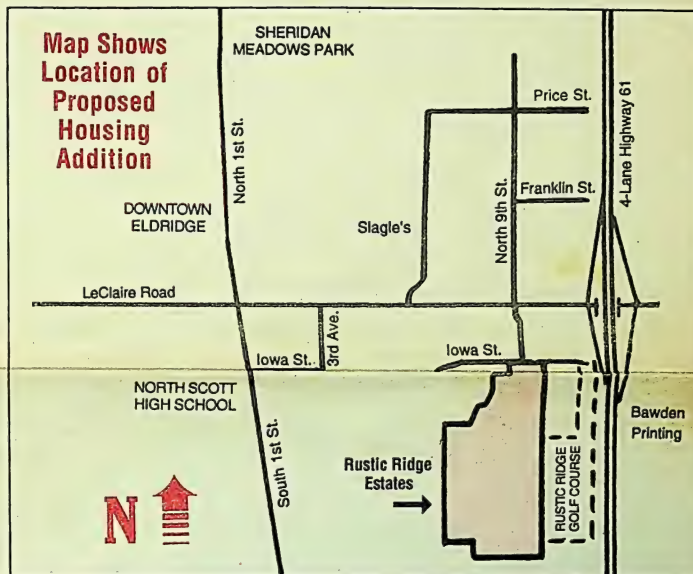

But Fick said the market will dictate how long it will take to complete the Rustic Ridge Estates plan.

"It all goes well, probably four or five years," Fick said. "It all depends on how demand goes. It could be longer. Hopefully, it will be shorter."

The plot on which the development will be constructed is currently zoned allowing for a much denser population than the Rustic Ridge plans call for, but that might

## Crime Stoppers seeks rural partnership

by Timothy Connors

The Crime Stoppers are back in Scott County.

Two years after the Scott County Crime Stoppers ceased operation, the Illinois Quad Cities Crime Stoppers has expanded to include the Iowa side of the Quad-City area.

The Illinois Quad Cities Crime Stoppers

has operated from the Moline Police Department since 1982. In February, they officially crossed the river and became the Quad Cities Crime Stoppers.

"In a sense it's 'Yeah, we're new,' but we're an eleven-year-old program," Quad Cities Crime Stoppers Coordinator Rick Ryckeghem said.

Crime Stoppers is a non-profit private organization which uses donated advertisement space and offers rewards up to \$1000 for information from anonymous sources leading to the arrest of suspects in local crimes. More than 900 Crime Stoppers offices operate internationally including offices in Canada and Scotland Yard.

According to Ryckeghem three keys explain the organization's success: intergovernmental cooperation, inter community cooperation, and media support.

"It's like a three-legged stool," he said. "Without three legs, you haven't got a place to sit."

Crime Stoppers gathers information from different communities and disseminates it to various law enforcement agencies that can put it to use. Ryckeghem is hopeful that the expanded local organization can help to coordinate efforts of Iowa and Illinois police departments.

"When you put a crook in jail from either side of the river, it helps the whole bi-state community," Ryckeghem said.

Scott County Sheriff Mike Bladel said he hopes the Iowa-Illinois effort leads to more efficient captures of criminals who cross state lines.

"A suspect who's in one area can get into

another state or county within a couple of minutes," Bladel said.

Bladel's office was instrumental in bringing Crime Stoppers back to Scott County.

## Old-fashioned River Days returning to Princeton

It will be a hot-time along the river this weekend when Princeton hosts its annual "River Days" celebration, but there will be plenty of cool things for visitors to enjoy.

■ Waldo and Mae Jones are parade marshals. See story on page 3.

The event kicks off Saturday at 7:30 a.m. with the Pancake and Sausage Breakfast at the Civic Center, sponsored by Zion

Lutheran Church, with the 1 Mile Fun Run (8 a.m.) and 5 Mile Run (8:30 a.m.) to follow.

The two-day men's softball tournament will get underway at 9 a.m. at Water Tower Park with the Arts & Crafts & Flea Market opening at 10 a.m. on River Drive. A Senior Crafts sale will be held at Riverview Courts from 10 a.m. to 5 p.m.

Things will really start hopping at noon on River Drive with Miller's Petting Zoo.

A fishing rodeo will be held at 2 p.m. and merry-go-round and pillow rides will be in operation from 3-8 p.m. The Princeton Volunteer Fire Department will host an open house beginning at 3 p.m. and there will be a Homemade Pie Baking Contest in the lower level of Farmers Savings Bank.

The fire department will host a Bar-B-Que Beef and Hog Roast at 4 p.m. and there will also be a Cub Scout bake sale.

The "Sammy & Davia" music show will play from 4:30-8:30 p.m. on the River Drive stage and a street dance will begin at 8:30 p.m.

There won't be much time for folks to rest up as things get underway again on Sunday with many of the same events (see center spread of today's Bizzy Bee for complete schedule).

Parade participants an register for one of the area's finest parades beginning at 11:30 a.m. at Virgil Grissom Elementary and the actual parade, with the theme "135 Years on the River) will begin at 12:30 p.m., with Waldo and Mae Jones serving as Grand Marshals.

Other special Sunday activities include "amateur" horseshoe contest (1 p.m.); Firemen's Water Fights (1:30 p.m.); Magic Mike Cramer & Mark S. Johns (2-3 p.m.) and Raffle Drawing (6 p.m.)

## Historical Society plans bus tour

The Scott County Historical Society is sponsoring an Historical Bus Tour to Des Moines on July 6. The itinerary includes a tour of Living History Farms, lunch at the Terrace Cafe which is in the State Historical Building. After lunch, the group will tour the State Historical Building which includes the permanent exhibits and the special-exhibits, "We Gotcha Covered" and the newest exhibit of the "Mary Barton Quilt Collection".

The bus will leave at 6:30 a.m. and return around 8 p.m. the Fee is \$23 which includes the bus fare, lunch and entrance fee

into the Living History Farms.

Scharlott Blevins attended the opening of the quilt collection exhibit on June 19th, and said, "I was extremely impressed with the Mary Barton Quilt Collection not only from the historical aspect, but from the educational aspect, quality of the works and the beauty of the collection. It is a must for anyone interested in quilting."

The tour is open to anyone interested but reservations for the bus tour *must* be called in to Scharlott Blevins (319) 324-7326 by 9:00 p.m. Thurs., June 24th.

## *Waldo, Mae Jones to lead parade at Princeton Days*

When people of the Princeton community get sick or fall on hard times, chances are good it won't be long before Waldo Jones shows up with a plate filled with coffee cake or cookies fresh from the kitchen of his wife Mae.

As passersby drive past the couple's home, complete with miniature golf course in the front yard, just west of Virgil Grisom Elementary in Princeton, chances are just as good Waldo will be waiting with an ever-present wave.

It's that friendliness and generosity that sticks in the minds of Princeton residents, and just two of the reasons the Joneses will be serving as Grand Marshals of the annual Grand Old River Days parade on Sunday.

Mae and Waldo have been married for 58 years. They've lived in Princeton Township all their lives and in their present home for 45 years.

Mae attended Sand Hill School and has worked for Kernan's in Princeton, baked for Bishop's in Davenport, Mr. C's in LeClaire and Raymond's in Camanche. Just recently she retired from Johnson Manufacturing in Princeton after more than 24 years of employment.

She keeps busy with a big garden and does lots of canning. Mae loves flowers, picnics, quilting, craft work, crocheting, reading and watching sports on television with Waldo. She especially enjoys making special treats for residents of Princeton's Elderly Housing and is always cooking, baking or doing some special for friends and family.

Waldo attended the old Princeton School. He lived in town for 18 years before moving to the country. He loves farming and has 156 acres of corn planted this year.

Waldo has been engaged in farming for 60 years, and also enjoys reading, snowmobile riding, playing golf on his mini golf course in their front yard, picnics, flowers, gardening and watching sports on television with Mae. He also enjoys delivering the special things that Mae makes for friends and family.

Mae and Waldo are members of the Buffalo Bill Museum, LeClaire's Community Improvement Corporation and 60 Plus. For the past 12 years they have also donated their time and food to help Bob Vogelbaugh with his "free" Thanksgiving Dinner at Hardees in Southpark.

Mae and Waldo have three children, including Donald, LeClaire; Walt, Pleasant Valley; and Karen Bruhn, Davenport. They especially enjoy their grandchildren and great-grandchildren.

## Grand Old River Days make a big splash

### Water ski show highlights Princeton Days

The Hartwick Huskies' water ski show is only one of the highlights during Grand Old River Days Saturday-Sunday, June 20-21, in Princeton, Iowa.

Other events will be an arts and crafts show and flea market, carnival rides and games, seaplane rides, horse-drawn carriage rides, men's baseball tournament and, on Sunday, a fireman's water fight, horseshoe tournament and a large parade.

For details about a sightseeing cruise on the Quad-City Queen, call (319) 289-5666.

Saturday's events will feature a 5-mile and 1-mile fun run, plus a 5-mile health walk, sponsored by the Princeton

Friends of the Library. Registration is at 6:45 a.m., with the run starting at 8 a.m. For information, contact Jim Christensen at (319) 289-3348.

The Princeton Lions Club will have a pancake/sausage breakfast both days. The Princeton Volunteer Fire Department will have a beef/hog roast Saturday. Other concessions will be available both days.

Local artists Magic Mike Cramer, Black Velvet and Sammy V and Davia D will perform. Two bands will play for the Saturday night street dance sponsored by Kernan's Restaurant and Bridges Catering.

Call (319) 289-5315 for scheduled times of events.

## Steamboat Days continue

Nostalgic rock and current country will rock the Steamboat Days crowd in Burlington, Iowa, Thursday-Sunday, June 18-21.

Thursday, June 18, is Kids' Day; the carnival again will offer the admission price of \$10 for unlimited rides from 11 a.m.-midnight.

Advance tickets are \$9 per person per day and are good for unlimited rides daily from 1 p.m.-midnight.

Other highlights include:

■ **Thursday, June 18:** 8 p.m.-midnight, auditorium, The Russ Morgan Orchestra; 6:45-7:45 p.m., south stage, Acme Vocals; 8 p.m., outdoor stage, Frankie Valli and the Four Seasons; 9:45 p.m.-12:30 a.m., south stage, Brass Bullit.

Applications for cigarette permits: Boll's, Bridges, Kernan's, Princeton Beach Marina, Casey's General Store.

Litscher made a motion to accept the consent agenda of the minutes, treasurer's report, bills and renewal of business cigarette permits. Kernan seconded. M.C.

Discussion was held on the 28-E Agreement the city has with the Scott Area Solid Waste Management Commission. The Mayor and Council received a letter from Kathy Morris, Director, which they received prior to the council meeting. The pros and cons of withdrawing were discussed. Sheila Bosworth said her opinion was that it would be unwise to withdraw at this time. Kernan agreed. Mayor McLaughlin discussed the legal aspects

of the agreement. He also said other area cities do not intend to withdraw from the agreement. Mayor McLaughlin asked the council their opinion on the matter. Kernan said he thought the matter should be tabled. He said he was not in favor of withdrawing from the 28-E Agreement at this time. Litscher, Suiter, and Darnell also wanted the matter tabled. Mayor McLaughlin said he would let the Small Town Advisory Committee that the city does not plan to withdraw at this time. City Attorney, Jeff Paul will look over the original agreement and will report back to the council at the July council meeting.

Kernan reported that the street work has been completed for this spring. He also said if any residents had any requests for work to be done on any streets to please notify the city so that he can make note of these for further work to be done in the fall. Mayor McLaughlin said that one area just at the edge of the city limits on north River Drive has a dust problem. Mayor McLaughlin will have Jack Hall check with the county about the problem since it is on the edge of the city limits.

Steve Suiter reported that the Community Protection Committee met with Chief Bryant to discuss various matters. Suiter reported that expenditures were down and he was pleased with that. Suiter reported that they discussed Princeton Days patrol. He said that Chief Bryant was very cooperative.

Mayor McLaughlin reported that at the Community Protection meeting the matter of the U.S. Postal Service's assignable option to purchase was discussed. Since the appraisal had been done and the assignable option to purchase had been discussed with Jeff Paul councilpersons Kernan, O'Toole, Suiter and Litscher who attended the meeting agreed to send the assignable option to purchase to the U.S. Postal Service. Ron Bosworth asked if in fact the property had been sold to the U.S. Postal Service. Mayor McLaughlin and Steve Suiter explained to Ron that city had given them an eight month option to purchase so they could find a buyer for the property who would build the post office building and then lease it to the U.S. Postal Service for an extended number of years. It was explained that the U.S. Postal Service does not own any property, they lease it. This is the standard procedure used by them.

Finley Gunn attended the meeting to discuss a problem he had with water running into his garage at his property on River Drive. He stated that the culvert north of his property had been covered up several years ago and the water had no where to go so it ended up in his garage. Kernan asked Finley several questions regarding the problem. It was discussed that the Home & Community Environment committee go and take a look at the problem. Kernan is the chairperson, with O'Toole and Darnell serving on the committee also. Kernan said they would look the area over and see how they could eliminate the problem. Mr. Gunn also asked about the sewer tax that has been added to his monthly bill. Mayor McLaughlin stated this is a tax the state has implemented as of April 1, 1992 for all commercial businesses.

Mayor McLaughlin informed the council that Gloria Evard had requested to be put on the agenda to discuss the matter of the Plan & Zonings proposed amendment to the city's zoning ordinance. Mayor McLaughlin said that Ms. Evard was unable to attend the meeting so she sent a letter and requested that it be read at the council meeting. Mayor McLaughlin stated that he would read the letter but wanted to explain that the Plan & Zoning committee had sent a recommended amendment to the council last month and they would have the first reading at this meeting and he felt that according to the zoning ordinance that any objections or questions should be handled through the zoning board prior to their passing their recommendations on to the council. Mayor McLaughlin said the council can accept or reject the board's recommendations but he did not feel that once the board made their recommendation that the matter had to be reshaped all over again at the council meeting. Mayor McLaughlin said the zoning board spends long hours discussing and deciding these recommendations and the council trusts their good judgement in their decisions. Mayor McLaughlin then read the letter, and said it was now up to the council to either accept the zoning board's amendment or to reject it. Kernan said that the petition that was attached with the letter contained several names of residents that stated they did not object to the horses on the Evard property. Kernan pointed out that some of these people lived on River Drive and other areas that would not be affected by the horses at all. Kernan felt that Gloria did a good job of stating her case but he felt that people should be advised of both sides of the matter. Kernan said also he would like to see the property. Mr. C.T. Shaver who purchased Ms. Evard's home and some of her property said the council could go through his property to get up to the site. Kernan said that Ms. Evard said that her neighbors did not object to the horses but Pat Walker and Mr. Shaver attended the

council meeting and Mrs. Walker said she did not approve of the horses in her back yard. Ron Bosworth said the board has checked out other cities zoning ordinances whose size and locations were somewhat similar to Princeton's because they wanted to be fair in their decisions. Ron said at this time the ordinance reads that anyone anywhere in the city could have horses or cattle on their lots and the board wanted to delete this portion of the ordinance in the residential areas. Ron said the feeling of the board was to make the zoning ordinance clearer so they don't run into these types of problems in the future, so that if the ordinance would say no large animals in residential districts there could be none period. This is why they are reviewing the entire zoning ordinance to make it clearer and in turn more enforceable. City Attorney, Jeff Paul was in agreement that the ordinance is vague and could be argued both ways. It was then discussed that the people that signed the petition be invited to the next Plan & Zoning meeting to hear both sides of the story on this matter. Ron Bosworth said the next meeting will be on Tuesday, June 16th at 7:00 p.m. at the Civic Center building. Kernan made a motion to table Ordinance #159 until the July council meeting. Litscher seconded. The vote went as follows: Kernan aye, Litscher aye, Suiter aye, Darnell nay, M.C.

Discussion was then held on the proposed Ordinance #158 changing a portion of North River Drive on the east side to C-2 Commercial that was zoned M-1 and Unclassified. Mayor McLaughlin asked the council what their desire was. Kernan made a motion to suspend with the three readings, Suiter seconded. M.C.

Mayor McLaughlin then read the amended Ordinance #158 for the council. Suiter made a motion to pass ordinance #158. Darnell seconded. M.C.

Mayor McLaughlin read Resolution 92-4 designating the month of June, 1992 to be Iowa-Illinois Gas & Electric Company Golden Anniversary Month.

Mayor McLaughlin then read Resolution 92-5 designating June 20th and 21st, 1992 as Princeton Fun Days and designating locations for beer gardens. Litscher made a motion to pass Resolution 92-5. Suiter seconded. M.C.

Discussion was held on the matter of an audit for the city. Margaret Lassiter, city clerk, received a bid from the State Auditor's office of between 3,500.00 and 4,000.00. The matter was discussed further and Kernan made a motion to hire the State Auditor to do the city's audit. Suiter seconded. M.C.

Mayor McLaughlin reported that some neighbors of Mrs. John Nelson would like to plant a tree in her memory in Clemons Riverfront Park. They would like to plant a tree and put a small plaque with Mrs. Nelson name on it. Discussion was held. The parks committee will check out the area and get back to them as soon as possible.

Litscher made a motion the meeting be adjourned. Suiter seconded. M.C.

## Movie star comes to Princeton

### Impressions

by Bill Tubbs

"I'd like to introduce to a friend, Doug Miller," said Princeton banker Steve Suiter while I was taking pictures during Princeton Days on Sunday, June 27.

"And this is Doug's friend, Jason Robards III," Steve added.

"Nice to meet you, Jason," I said, as I shook his hand before leaving to shoot pictures of the parade.

The name Jason Robards III seemed familiar, but I couldn't quite make the connection. "You might want to talk to them a little bit more," Steve suggested. "They're making a movie in Davenport."

When the parade ended, I re-introduced myself to Jason and his friend Janet Eisenberg, who were looking at the mighty Mississippi.

Jason said he's working with Italian director Pupi Avati and his producer-brother Antonio on a film called *The Childhood Friend*, which was filmed in Davenport from June 1st through July 3rd.

"What's your involvement with the movie?" I asked.

"The lead," Jason said.

"Oh," I said, trying not to think how stupid I must have sounded.

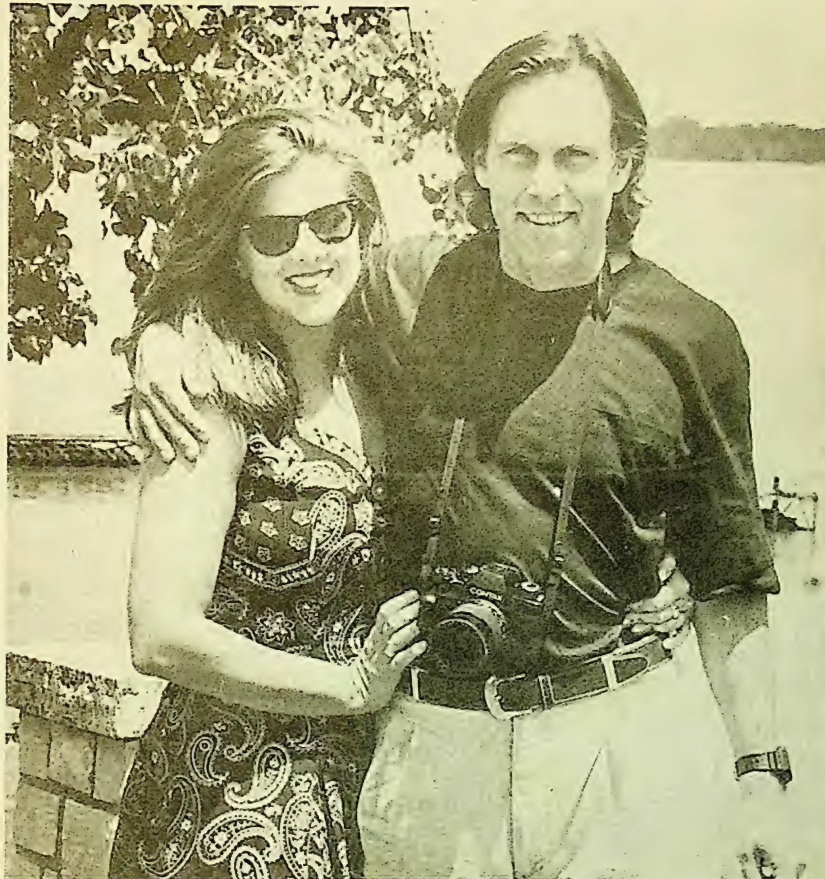

Jason said the movie is about a TV talk show host who becomes an instant celebrity, only to be blackmailed by a childhood friend.

#### Third generation of actors

Jason Robards III comes from a prestigious family of actors. Miller said Jason's grandfather was a famous silent movie star. His father is a well known actor who played, among others, the role of Washington Post editor Ben Bradlee in *All The President's Men*. I especially remember his lead in the controversial movie, *The Day After*, the movie that dealt with the nuclear freeze movement in such a powerful way that the Soviets didn't want it shown on American TV.

This is the fifth movie the Avatis have made in Davenport. The others were *Where The Night Begins*, *Bix*, *Brothers and Sisters* and *An American Love*. The latter was filmed in 1991 and starred Brooke Shields. The *Bix* film, a dramatic portrayal of the life of the jazz trumpeter, was made before that, and will play July 21 at the Capitol Theatre in Davenport.

I asked Miller, who heads the local film

office, why these movies haven't played in local theaters. He said Avati doesn't make commercial films. "These are high grade films," he said, explaining that the only place you'll see them is in metropolitan areas and in art film houses or theaters.

Miller says Avati's films feature great acting, great cinematography and great scripts. It's a high level of the art, more sophisticated than in movies produced for general consumption. "Pupi makes movies like a great artist makes a painting," he said.

An example of a theatrical release film, Miller said, was *We Three*, about the life of Mozart. "You probably haven't heard about this film, but it preceded *Amadeus*, which most people have seen." Miller said *Amadeus* was patterned after *We Three*, but *We Three* was probably a more accurate portrayal of Mozart. *We Three* won the Sergio Leone award, which Miller said is one of the most prestigious in the world.

#### Quad Cities a "paradise" for film makers

Filming for *A Childhood Friend* took place mostly at the Channel 6 TV studio but some final scenes were filmed Saturday at Mercy Hospital.

Miller says the Quad Cities is "a real paradise" for the movie people. It costs less

to produce movies here and the actors enjoy the people, the "real Americans." Where better to meet "real Americans," for example, than places like Princeton Days?

Doug finds Princeton especially to his liking. Doug's dad, Al, was a teacher in the Davenport schools and took his son to Princeton because of his friendship with the late H.E. Lund. Doug and Steve Suiter have thus been friends since they were 8-9 years old.

As for Jason, Doug says he's a "good guy" and an outstanding actor. His other credits include *Dream Conspiracy*, *They Live*, *Strangers Watching* and *The Soldier*. "You can see three generations in his acting," says Doug, and that is indeed a compliment if your name is Jason Robards.

## Weather Office to relocate at Mt. Joy airport

by Timothy Connors

The National Weather Service has opted to move its Quad-City Area Weather Forecasting Office to the Davenport Municipal Airport from its current site at the Moline Airport.

Construction should begin within two months. A 5,500 square-foot forecasting office and a 550 square-foot building to inflate weather balloons will be located on a 10-acre plot at the intersection of Harrison and Airport Entrance Road.

Hendricks Real Estate Properties, a Beloit, Wisconsin company, has been contracted to undertake the project. Hendricks will own the property and lease it to the federal government.

The structures should be completed by August 1994. Occupancy of the buildings should begin after a WSR-88D radar - the latest in Doppler radar technology - is installed that November.

The staff at the Davenport station will include 23 people, including hydro-meteorological technicians, electronics technicians, meteorologists and two secretaries. The station will be used to forecast locally, coordinate area severe weather warnings and contribute to national weather information.

## Donahue park to receive gift honoring Geary

Thanks to a major donation by Davenport Bank's Employee Charity and Volunteer Council, the former manager of the bank's Donahue Office will be well remembered for years to come.

The Employee Charity Council raised \$2,000 at a silent auction during the bank's annual picnic last year, and earmarked those funds toward a memorial project in honor of the late Paul Geary, a 34-year Davenport Bank employee.

Paul served as manager of the bank's Donahue office for 14 years and was an active member of the Donahue Sportsman Park, where local ball games and other public activities are held. The funds raised were used to purchase new playground equipment for the park at the request of the Geary family.

The playground equipment will be dedicated at 6 p.m. today by members of the Employee Charity Council, bank CEO Gerald R. De Land and the Sportsman Park board.

"Our employees wanted to do something lasting in Paul's memory, and what better way than playground equipment for one of Paul's favorite organizations. It's a lasting tribute to his dedication and support of the Donahue community," De Land said.

All bank employees are members of the Charity council.
